

## **Salford Township Open Space Committee**

### **Meeting Minutes**

**September 16, 2008**

**Location: Salford Township Building**

**Attendees:** Larry Anderson, Harris Moser and Barbara McMonagle

**The meeting was called to order at 7:30 P.M.**

#### **Active Properties:**

Haltzman-Clemens-Schultz Properties – 59± acres property. The application has been submitted to the Department of Conservation and Natural Resources (DCNR) for 50% of the costs of conservation and trail easements on these three properties. Unofficially, we heard that DCNR will be making their grant announcements in October.

Barndt – Scheip Road – This property has been acquired by Salford Township.

Other Properties: We are pursuing several properties for the use of our remaining open space funds.

#### **Other Business:**

Montgomery County Open Space Program – All municipalities have until April 2009 to submit applications for the use of their allotted open space funds. After April 1, 2009, all remaining funds will go into a pool for the “second round”. The “second round” of grants will be awarded on a priority basis as established by the Montgomery County Open Space Board.

Montgomery County Lands Trust Green Futures Workshop & Dinner – September 30, 2008 at the Perkiomen School in Pennsburg. This workshop offers a great place to learn creative open space and planning techniques from other municipalities and non-profit organizations. Melody is planning to attend.

**Next Meeting – October 21, 2008**

**Meeting was adjourned 8:45 P.M.**

Respectfully submitted,

Barbara McMonagle
